Please be as specific as possible.
- c) What are the key deadlines and/or time-frames of the activities?
- d) Why is it important to the public interest that the goal of your project is met?
- e) Please describe what you would consider to be success, in the context of this project.
- f) Why are you the best positioned to do this work?
- g) What risks have you considered that you might encounter in carrying out this work and how will you mitigate them?

19. Indela is committed to advancing digital rights in Latin America by providing more than just financial support. This includes support for strengthening capacity at both the organizational and field level. If you would like to learn more about additional services and/or support we could provide, please indicate so here, and describe your needs below.

20. Please describe a past accomplishment of your organization that demonstrates it has the capacity to effectively and responsibly administer grant funding, as well as deliver impact. You may provide URLs to support your response.

21. What is the estimated overall cost of the project? (USD)

22. How much of this cost do you expect to be covered by a grant from Indela? (USD)

23. If the cost will only be partially covered by a grant from Indela, how do you intend to finance the remaining cost?

24. Please provide a full budget for the project, including the following categories (if applicable):

- a) Project implementation
- b) Communications
- c) Equipment
- d) Travel
- e) Administration
- f) Others

25. If you have any additional comments, please enter them below. Thank you for your application!

Indela uses the submitted personal data to contact you or your organisation about your eligibility check and for internal communications regarding the content of your proposed project. Afterwards your form will be saved for a maximum of three years. We will not provide your personal data to third parties. We will treat your personal data confidentiality for the manner described in our privacy policy.
